One of the Lions Parkworkers taking a break

LOVELY CAMPGROUND ...

The St. Albert Lion's Club has undertaken, as their major project for this year, the development of the Lion's Park and Picnic area. Several hundred man hours have already been spent in clearing roadways in the wooded area east of the existing park for the purpose of making this area into a camp site accommodation for trailers and campers visiting or passing through St. Albert. Members of the club have been turning out each Saturday morning and

during the week, to realize as much progress as possible this year. The committee is at present obtaining estimates for the installation of water lines and plumbing facilities into the picnic area, as well as equipping the wading pool with drains and running water. Complete development of this park will, of course, take considerable time, but maximum effort is being channeled towards this project, so long as funds are available.

Proceeds from various fund raising activities such as the Lions Bingo, Light Bulb Campaign, assisting at Children's Theatre, Civic Day Barbecue, etc., are allocated to the various money spending projects such as Scholarship Fund, youth sports activities, glasses for welfare, Boy Scouts, Air cadets, and the Lions Park presently under development, and other commitments in the community.

LIONS NEWS

continued from page 1

We were much impressed when we visited this Area 2 Campground, Lions Park, which is a wonderful thing for St. Albert. We saw several Lions at work cutting trees, clearing roadways, piling wood to be used for campstoves. The area will be equipped with tables, wash room facilities, etc. This little paradise right in St. Albert will be available for everyone. We would like to be able to mention all the men who are giving their time and effort to get this camp ready, but the Lions are serving, not looking for publicity. We would like to mention one however, former Lion Jo Van Housck who donated both his time and his truck for three weeks to help his fellow Lions with the heavier work.

Lions Camp Ground in Lions Park will become a great attraction during the summer months, and we hope that our citizens will support all the Lions Campaigns so that the money for this big project will soon be obtained.

DRASTIC RECOMMENDATIONS

Council Meeting August 25

Mayor Venese's Recommendations for consideration of Council The Mayor stated that there was no doubt that the day of the town's doing its own construction work was over. The Department had made this quite clear. Therefore he felt that it was now time for the town to withdraw from construction altogether. This would mean that certain positions within the town's staff and labour force would have to be deleted. He recommended that the positions of Senior Administrative Officer and Town Engineer would no longer be required. It would mean cutting down on the staff, both inside and out, and also changes in the administration generally.

Councillor DeBruijn felt that the Mayor's recommendations indicated that a full

time mayor would be required on a salaried basis, but Councillors Powell and Wheatling felt these recommendations should be in a written form for Council. Councillor DeBruijn made a motion asking for a special meeting of Council, Tuesday, September 8, for the purpose of hearing and discussing the brief to be prepared by the mayor, and a report from the Senior Administrator regarding staff.

Bylaws for Plebiscite Councillors were requested to submit their recommendations as to the bylaws which should be presented to the electorate at the forthcoming election in October. The following proposals were made: a bylaw to purchase land for a memorial park; a bylaw to construct an outdoor swimming pool; a bylaw for the purchase of the curling rink; a bylaw for the covering of Sturgeon Heights skating rink. Councillor DeBruijn made a motion for a plebiscite which read as follows: "that a plebiscite be prepared and placed before the electorate stipulating the type of government they wish to be governed by, be it mayor, council, secretary-treasurer, or mayor, council, manager."

HIGH WAYS School of Dancing

This dancing school was founded about three months ago by two of our local citizens. Gladys Smith and Alma Hughes decided to continue here in our town where they left off in England a few years ago.

Gladys and Alma studied tap dancing (in which they now specialise) in England under famous Liverpool instructors Harold Tootil R.A.T.D., I.S.T.D. and Doreen Savage R.A.D., N.A.T.D., I.S.T.D. for 10 years.

After attaining National Association of Teacher of Dancing certificates, they began to teach tap dancing and have 12 years experience behind them. They have had numerous recitals and shows that delighted the audiences, and their pupils won many competitions.

The teacher of Baton is well known and qualified to offer a complete course of study to all students.

There are a good number of students already registered with this dancing school. Further registrations are being taken up until September 15.

GIANT PUFFBALL

This giant puffball which was found by David Koberge, Mill Drive and Ron Halile Mural (resident on a hike 2½ miles west of the St. Albert railway station, measured 29 3/4" in circumference and weighed 5 lbs. The puffball (Calvatia gigantea), belonging to the mushroom family,

normally range from the size of a pea to 16 or 18" in circumference. None of them is poisonous and many of them are considered delicious eating. The puffballs should be taken while still young, white and cheesy within. Later they break up into a mass of brown spores.

YOUTH ALLOWANCES

The Youth Allowances Act provides for the payment to parents of an allowance of ten dollars per month in respect of dependent youths (boys and girls) who have passed their sixteenth birthday and not attained the age of eighteen, and who are in full time attendance at a school or university, or are precluded from such attendance because of mental or physical infirmity.

The Act is administered by the Dept of National Health and Welfare through its Regional Offices in the capital city of each province (except Quebec).

Application On September 1, 1964, Youth Allowance application forms are to be mailed, as far as possible to the parents of all children now in the correct age group. As some of these may go astray, it is suggested that any parent of a child who may qualify who has not received an application form by Sept. 15, 1964, should write to the following

address: Regional Director, Family Allowances, 646 Federal Building, Edmonton, Alberta.

Payment may be made retroactive for a period not exceeding twelve months. Thus, provided the child has been eligible at all times, applications received at any time during the next school term will be made retroactive to Sept. 1, 1964. After September 1, 1964, application forms will be mailed to parents automatically as the children reach the age of sixteen.

Youth Allowances cannot be paid for July and August (other than for disabled children) unless the youth resumes attendance at the beginning of the fall term. Therefore, payment for most children will be suspended during July and August. At the beginning of the fall school term the parents will be supplied with new application forms and when these are returned and approved, adjustment will be made for the summer months.

Payment For those presently sixteen and seventeen payment of Youth Allowance begins in September 1964. The cheques will be issued on the last day of the month and the first cheques will,

Bird and Big Game

LICENCES

FOR SALE AT

Bermont Insurance Ltd.

22 Piron st. St. Albert

Phone 599-7145

therefore, be issued on September 30, 1964. If approval is delayed in an individual case and the youth has attended since the beginning of the term, the first cheque will include any adjustment due.

For those who reach the age of sixteen after September 1, 1964, and who qualify for Youth Allowances, payment will begin in the month following that in which the youth reaches the age of sixteen.

Payment ceases in any event, with the cheque for the month in which the youth reaches the age of eighteen.

School Attendance Where application is made for a child who is attending school the application must also be signed by a School Official who will verify attendance.

There may be some doubt as to whether certain institutions providing specialized training can be considered schools or universities within the meaning of the legislation. In such cases it is suggested that the parents apply in order to obtain a ruling.

Maintenance by Parent In order to qualify, the parent must maintain the youth. For this purpose summer earnings do not disqualify a youth providing he attends for the complete term and resumes attendance at the beginning of the next term.

Residence The youth and parents must reside in Canada; however, the allowance may still be paid for a youth who normally resides in Canada, but who is temporarily absent while receiving education or training outside of Canada.

Albert Lacombe School

The St. Albert Public School District's new school, the Albert Lacombe Elementary School, located on Gainsborough near Gladstone, will be opened late in October. Nestled in a valley to protect it from harsh winter winds, this school will have 8 classrooms going up

to grade 6, a library, a general purpose room and a gymnasium. A new feature is the interior patio with trees and shrubs. This patio will be used only by the grades 1 and 2 as a playground and possibly for study. All the classrooms will have windows to allow sufficient natural

light, but not sunshine, to cheer the rooms. Some of the other features are: both the grade 1 classrooms have their own washrooms, the heating system is hot water and can be regulated in each room individually, and spacious cloak rooms in each classroom, the natural trees are left on the school grounds making the whole area look like a sunken garden.

This school, which is built for future expansion, is a wonderful place for our children to study and learn in, enjoy, and remember.

ELLEN FLOTTEN SCHOOL of DANCING

St. Albert's foremost dancing school is opening its door for the fourth consecutive season. The school gives lessons in Highland dancing, beginners and ad-

vance tap, and baton. The school's director, Ellen Flotten, is again planning a banner year for her pupils. Ellen has been teaching dancing for a number of years in Edmonton, and for the past 3 years has taught in St. Albert as well. During this time, she's produced Highland dancing winners at competitions in Alberta, Saskatchewan and the Pacific Northwest. As well as weekly lessons, the school finds time for Christmas concerts at the Youville Home and the St. Albert Indian School. Summer isn't forgotten, as pupils take part in the St. Albert parade and fair on Civic Day. Other concerts are put on at various Friendship Clubs in Edmonton and hospitals, giving the pupils a full year of excitement and activities.

Ellen and her school are an asset to St. Albert and we wish her good luck for the coming season.

Register at the Canadian Legion Hall across from Grandin Shoppers Park, Saturday, Sept. 5 and 12 from 9 - 2. Lessons commence Sept. 12. For further information 599-7112 or GR.7-1168.

September - Back to school; Hair to curl shoes to polish; lunches to pack; books to buy and a 6 year old who has firmly and emphatically decided to skip formal schooling until he is 12 years old. The holidays were fun but many a mother breathes a sigh of relief when the thundering herd are belled back to the 3 R's. Also about this time we're looking forward to the commencement of the fall club activities. We hope you enjoyed your vacations and are eager to get back to your various groups. We wish you an enjoyable and successful forthcoming season. We will be happy to assist publicity-wise in any way we can. Also we

invite any social news you may be interested in placing in the social column.

THREE GRANDMOTHERS

The lovely wooded grounds of the Cuts' residence were the scene Thursday of a barbecue dinner. The occasion was honoring Mrs. Cuts' mother, Mr. J.W. Barnett, on her approaching 80th birthday. Included in the celebration were two other "grandmothers", Mrs. E. Usher, mother of Mr. Roy Usher and Mrs. A. Speakman, Mrs. Roy Usher's mother. They also were celebrating their 80th birthdays. Mr. & Mrs. J.W. Rogers, who recently observed their 25th wedding anniversary, were also honored guests. Mrs. Cuts humorously explained that during the summer many anniversaries and other reasons for celebration were passed by without special note because every

one was going and coming on holiday. She felt that this party was to honor all the friends and neighbors present who had, or would soon celebrate wedding anniversaries and birthdays, and in the case of Miss Irene LaFranchise and her fiancé, Mr. Tom Bessie, who would soon be married. To recognize all these occasions, Mrs. Cuts produced a beautifully decorated cake, with the words, "Happy Anniversary" and asked Mrs. Speakman, as the oldest (by one week) of the grandmas, to cut it. It was then served by Mr. & Mrs. Rogers.

There is magic about an open fire, and the aroma of sizzling steaks blends beautifully with the scent of evergreens. Even the weatherman co-operated, sprinkling only a dozen rain drops after threatening a deluge. As the guests lounged, replete and comfortable, singing and talking, Mrs. Speakman rose and expressed the appreciation of the three grandmas for the delightful recognition of their birthdays.

Despite the weather, over 500 hungry people kept the ladies of the CWL busy serving a delicious chicken supper Sunday afternoon and evening. A hearty thank you to those who organized, prepared and worked to make it such a suc-

cess. Let's hope the weatherman will be kinder next year.

Have you noticed the difference in the air? All our young people busily discussing what they will be doing this year - the most important subjects are vocations and education! They are to be congratulated each in their chosen field! Now that schools are open, other pre-occupy themselves by taking courses for college and university. Good luck!

Postulants Don New Habit

Anita Atcheson of Edmonton, Alice Bergevin of Legal, and Liliane Amyotte of Mallaig, donned a modern religious habit on August 24th, as Grey Nun Postulants. They were received at the Youville Home in St. Albert.

Rev. G. Chevrier, O.M.I., celebrated Mass in the Chapel at 10:30 a.m. in the presence of numerous parents and friends. He also welcomed the new "Sisters" on behalf of the Church and of the Grey Nuns.

Rev. G.E. Primeau and Houde of Legal were among the many relatives and friends present. After lunch, served by the Sisters of Youville Home, families and friends escorted the Postulants to the train. They will pursue their religious training at the Grey Nuns' in St. Boniface, Manitoba, while awaiting the open-

ing of a Novitiate for Western Canada which the Congregation hopes to open in Edmonton in August, 1965.

Congratulations to the parents who successfully fostered religious vocations in their homes: Mr. & Mrs. Eli Chartand, Mr. & Mrs. Lucien Bergevin and Mr. & Mrs. A. Amyotte.

United Church

Sunday, September 6 will mark the first Sunday when the United Church congregation will meet at 11 a.m. for worship. This change has come about since the appointment of a student assistant to the St. Albert field has allowed more flexibility in the time of services. The voice of 11 a.m. was indicated by a survey made in the congregation on three Sundays in June. This Sunday the services will be conducted by the Rev. Dr. Ed. Schwarz. Communion will be served. The Lord's Table in this congregation is open to all professed Christians. The Choir will meet this Thursday at 8 p.m. at the home of Mr. & Mrs. Robert Crookery, 53 Glenmore Cres. for a very important business meeting and a brief practice. All persons interested in singing in the choir this year, whether an "old timer" or a "new comer", are urged to attend.

The Church School will begin its activities for this term with a Rally to be held at the 11 a.m. service on September 13th. All teachers and students are expected to attend and we hope that every child will be accompanied by parents. The regular classes will begin their meetings on the following Sunday. As the congregation is beginning the use of the "New Curriculum", we urge parents to enroll their children at the beginning and to encourage regular attendance.

Church-News, continued

The Anglican Parish of St. Matthews, which has been using the High School for the past year, expects to maintain its services at the Nickerson School until such time as its own accomodation is built and ready for occupancy. First services in the Leo Nickerson School were held on Sunday, August 30th. Plans to accommodate an increased attendance this fall, both at the services and in the Sunday School, have already been made. The first Sunday School lessons will be taught at 11 a.m. on Sept. 13th. Mrs. O. Grice, the Sunday School Superintendent and the teachers expect to hold teacher training sessions during the early fall. With the close of the holiday season, the choir, which has been trained by Miss B. Arnold, will take its place in leading the musical parts of the service. It will be happy to welcome additional male singers. Fall planning is already well advanced, and it is expected that the steady progress of the last twelve months will be well maintained. Of particular interest will be the new Partnership in the Gospel Program with its objectives of self-support, and year round stewardship. The work will be directed by a six man executive under the chairmanship of Mr. Frank Glenfield.

PRESBYTERIAN CHURCH

The Rev. W. Jarvis, the new minister for the St. Albert Presbyterian Church will preach the service next Sunday at the Sir George Simpson School, 9:30 a.m.

Twenty-five parents and 40 players of the St. Albert Soccer Club Hercules will leave for Calgary this Saturday to meet the Southern Alberta PeeWee Champions in the first Alberta Provincial Championship. Besides this big event, the Banta

and PeeWee B teams will also play games against other Calgary teams. At the last general meeting it was announced that the Club plans to start with hockey and boxing this season. More information will follow in a future issue of the Gazette. Every boy in St. Albert and district who is interested

in joining the St. Albert Hercules Sport Club is welcome. Information will be gladly given by Fred DeLuca 599-7052, Tom Ferguson 599-7061, Ron Walker 599-6940, Anton Rapati 599-7232, Gerry Bruinink 599-6514 and Wim Netelenbos 599-7187, or write to St. Albert Hercules Sport Club, Box 1931, St. Albert.

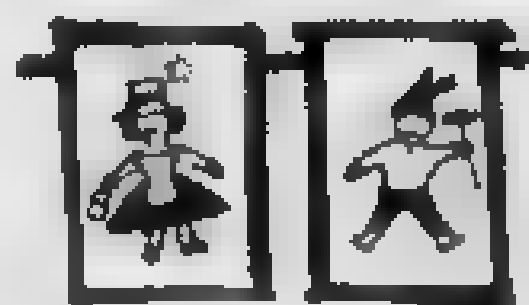

WINNER AT SPORT MEET

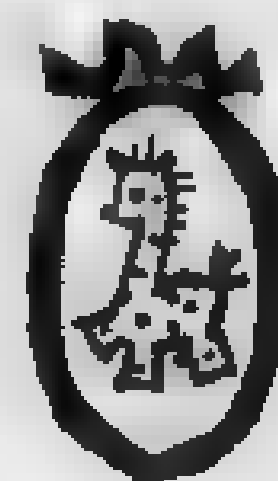

The first Air Cadet Summer Camp sports meet was held Friday, 25 July, 1964 at the Sports Arena, RCAF Station Namao. Some 400 Air Cadets from the two farthest Provinces were in attendance at the camp. Being congratulated for his win is Pat Kane of 533 Squadron, St. Albert.

BREAK IN

Last Friday morning at 3 a.m., thieves smashed the windows of Tamblyn's Drug Store and Lefebvre Jewelers in Grandin Shoppers Park and stole 6 watches, a portable radio, a camera and a micro TV. The watches stolen from Lefebvre's were valued about \$400, and not insured, however the articles taken from Tamblyn's value about \$271, were covered. The burglar alarm in the jewellery store frightened the thieves before they could take anything else.

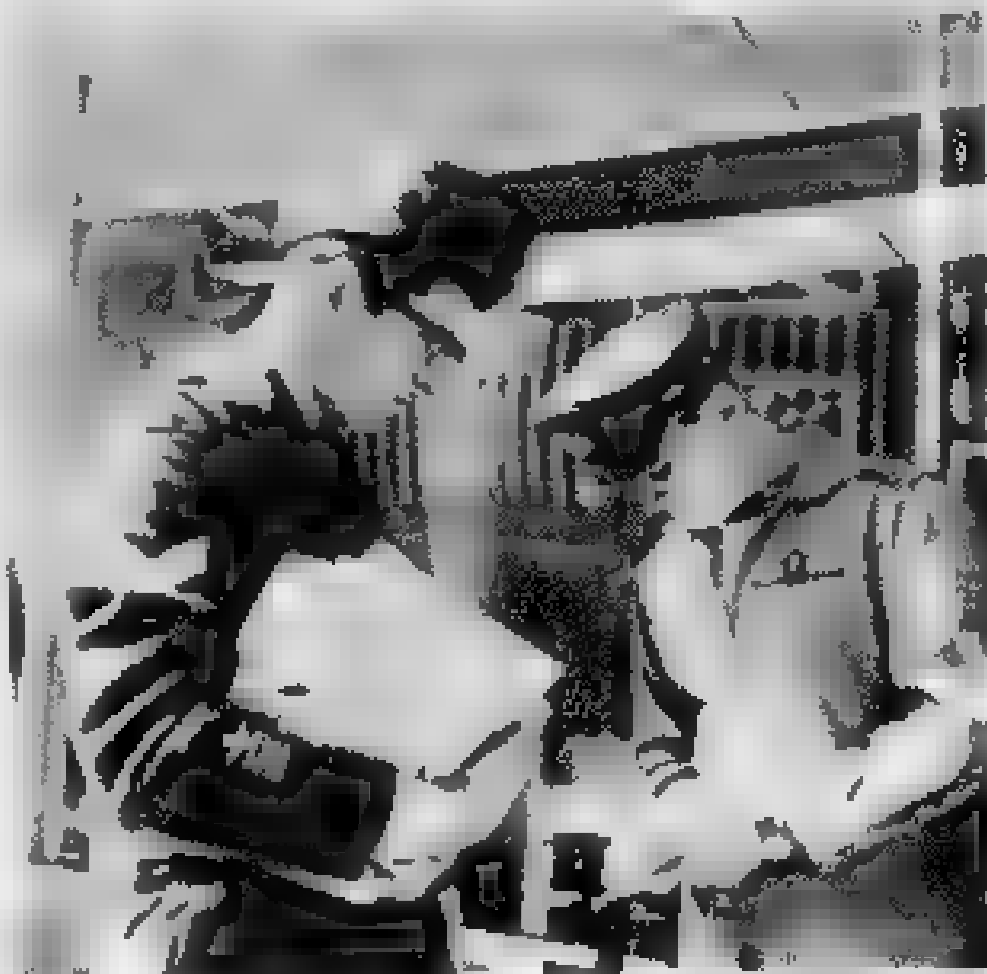

CADET PARADE

The first parade of the year for the St. Albert Air Cadets will take place at 7:30 p.m. Thursday, September 3 at the St. Albert Community hall. This starts the 9th training year for the squadron since it was re-activated under the sponsorship of the St. Albert Lions Club. All boys between the ages of 14 and 16 inclusive are invited to join the squadron. Air cadet activities are of particular interest to air-minded young men and lead to summer camps, free flying instruction, advanced leadership training at Camp Border and overseas visits. The squadron plans to enlarge and improve the band during the coming year under the instruction of expert musicians. A new life section for the band is expected, the instruments are already on hand. The course in photography and dark room procedure will be enlarged and extended this year. Word has just been received that the squadron is to receive a new Link Trainer for preliminary flying instruction.

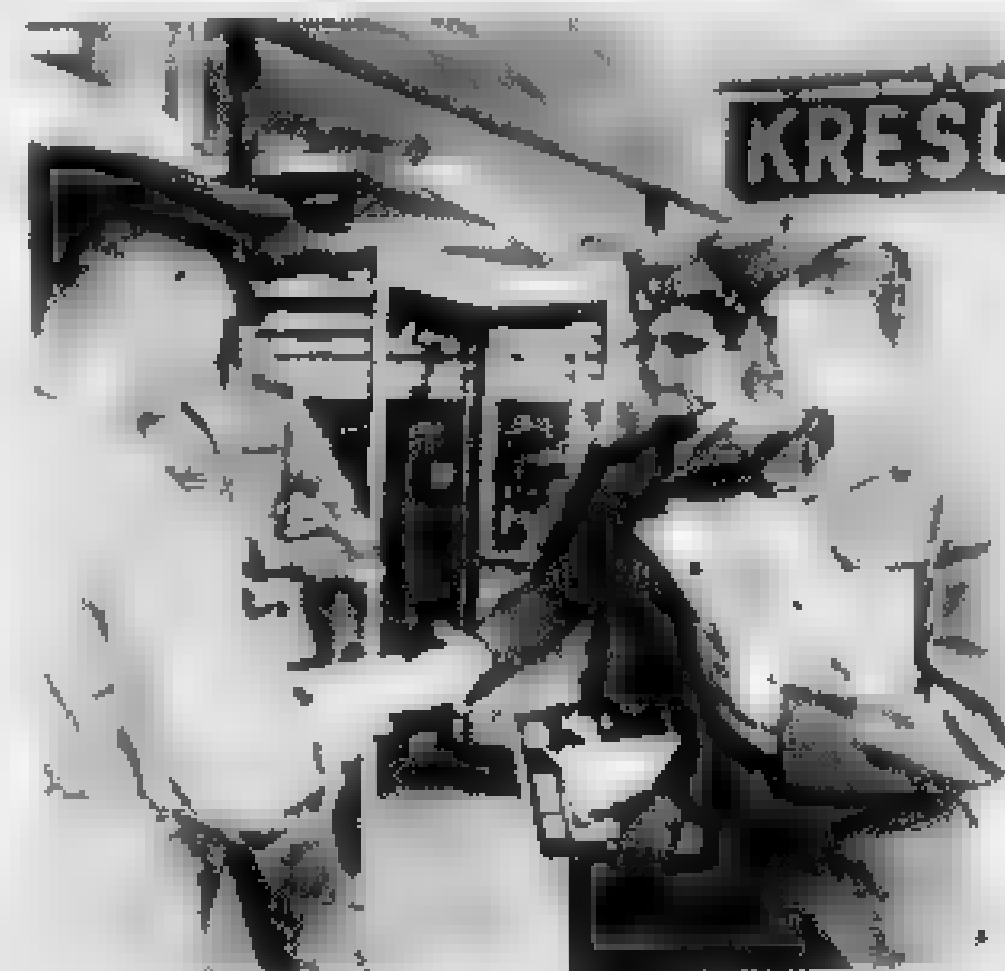

RECREATION BOARD

Tennis Courts In the absence of Mr. J. Bates, Mr. J. Bates took the Chair, and heard the petition of the St. Albert Tennis Club regarding the building of three new courts. The petitioners stated that their present courts were situated at the various locations and were not suitable for play. The representatives were informed that the city had a recreational centre, as there was a court, included in the plan. The club felt that there was need for a private club as well. Mr. Bates stated that a new court was being built at the city hall, and that the club could use it. The club was informed that the city had a court, included in the plan.
